DAYVILLE HIGH SCHOOL
Dayville, Oregon

Dedication

This annual is dedicated to our principal, Marion L. Huff. Most everything the school has we owe to the efforts of this hard working gentleman.

Some five years ago our school was in a chaotic condition and was declared not standard by the State Department of Education. Mr. Huff came into our midst in 1948 and since then conditions have improved by leaps and bounds. First and probably the most important accomplishment was the establishment of discipline. Mr. Huff gave us plenty of freedom and yet kept the students in line, we admire him for this quality. While serving as basketball coach he led us to three successive league championships a feat never before accomplished. Mr. Huff played a dominant part in getting our new gym and grade school, in fact when we ran out of money he formed a shop class and under his guidance they completed a large share of the unfinished work remaining in the gym. For two years Mr. Huff worked at the school during the summers free in order to create better facilities for the students. All these things have not been in vain for now both the grade and high school are standard schools and we are proud of them and also of Mr. Huff the man who made them possible.

It would take a lot larger space to enumerate all of the things Mr. Huff has done for us but we want him to know we appreciate them one and all.

Mr. Huff has decided to leave Dayville next year in order to seek a better position so we felt that the dedication of this annual would be a fitting tribute for the fine service he has rendered to us.

Faculty History

MARION L. HUFF—Supt. of Schools, Social Studies and Shop Teacher. Mr. Huff attended grade and high school in La Grande from there he moved to Eastern Oregon College and the University of Oregon, where he played on two championship basketball teams, one at each school. After graduation Mr. Huff coached at Prineville for three years and then came to Dayville where he has guided the destinies of Dayville students for four years.

DAVE HAWK—Coach, Science and Math Instructor. Mr. Hawk had his grade school and most of his high school education in Idaho, but graduated from Longview High School in Washington. After a short time in the service Mr. Hawk enrolled at the College of Idaho, where he was talented performer in both baseball and basketball. Upon graduation Mr. Hawk signed a contract to teach in the Dayville School System. We are glad he cast his fortune with our institution.

LEWELL GILHAM—English and Commercial Instructor. Mr. Gilham came to us from Portland University. He attended Portland Grammar School and graduated from Washington High School in that city. Mr. Gilham served in World War II and after his discharge he entered dental school in Portland and later transferred to Portland University where he studied to become a teacher. Dayville was Mr. Gilham's first teaching position.

JOEY ACAITURRI—7th and 8th Grade Coach and Teacher. Mr. Acaiturri attended Elementary and Secondary School in Burley, Idaho. After a few years in the service Mr. Acaiturri entered Boise Junior College and later Southern Idaho College of Education. In both high school and college Mr. Acaiturri made a name for himself on the Maple Court as he was an "All Stater" plus being captain of his team while in college. This is Mr. Acaiturri's 2nd year in teaching both of which have been at Dayville.

HELEN MILLER—5th and 6th Grade Teacher and Grade School Volleyball Coach. Mrs. Miller came to us from Canada. She was educated in Scotland, Canada, and the United States, so she has a broad background from which to draw educational experiences. Mrs. Miller has been a member of the Dayville Faculty for 5 years and we hope she will remain for many more.

RETHA AVALADE—2rd and 4th Grade Teacher. Mrs. Valade has been a member of the faculty for 19 years and during this period she has developed a host of friends and admirers among her many former students. Mrs. Valade attended grade school in McMinville and high school in Salem. She did her college work at Oregon College of Education. We wish Mrs. Valade continued success and hope she will teach many more years in Dayville.

MARJORIE ROUND—1st and 2nd Grade Teacher. Mrs. Round came to us at midyear after the resignation of Mrs. Rena Striclken, who came out from Texas. Mrs. Round got her elementary and secondary schooling in La Grande and Imbler and attended Eastern Oregon College for her higher education. The past two years Mrs. Round taught in Long Creek, previous to this she taught at Monument. Everyone hopes Mrs. Round will continue to teach in our school.

Prophecy of the Class of 1952

As I pushed the button and braced myself against the impact of the take off, I wondered what would be in store for us in the year 1980. The present year was 1956 and I had just been awarded a trip with the genious of scientific mechanics, Marion L. Huff, who had just completed the space and time machine in which we were traveling. The wind shrieked around our sphere-like vehicle and I noticed that the soliosotope screen was becoming a hazy green which grew gradually deeper and finally began blinking DAYVILLE, OREGON. In another few minutes we had reached our destination and we alighted from our machine to find ourselves on Casey's Slide overlooking the Western Metropolis which was once our little home town.

We took a taxi to the town hall where we found a great convention taking place—Reunion: Class of 1952, Dayville High School. We introduced ourselves and were seated at a table where we enjoyed a delicious meal of broiled Thumpcat, an almost extinct animal found only in Murderer's Creek.

A bell was sounded as the president of the United States, an old and decrpit man, was helped to a standing position and we finally recognized him as Lewell P. Gilham, our beloved English teacher of 1952. He said he was certainly sorry but he just couldn't speak tonight because his back was paining him pitifully.

Our train of thought was interrupted by a shrill, high voice; we turned and a beautiful woman swept by us glittering with gold and jewels. Thinking she looked familiar, I asked a gentleman who she was. He replied "Oh, that is the greatest Metropolitan Opera Star of all times, Ruthy Lemberger!" Ruthy's career had added a little weight to her figure—in fact, she weighed a little over 150 pounds, but her 5 feet 3 inches carried it well. She entertained us with the ballad, "Come On'a My House" from her newest opera.

Ruthy then introduced Joy Starrett who told us about her career. Her love life had been disappointingly concluded so she drowned her sorrows by becoming a missionary to the Eskimos at the South Pole. There she had a big ranch and was raising a new type of race-horse. She had entered one of her finest horses, Centipede, in the 1980 Kentucky Derby but he broke away and was last seen running through South America heading for home. He had thrown his rider into the water as they passed the Gulf of Mexico. She said that if we would turn our attention to the center of the stage we would be further entertained by Robert Walker.

Robert explained that he had been living in the Belgian Congo and that the King of that country had knighted him for his brave deeds. Once he even hypnotized a python which had the princess of the tribe captive in its den then he had the snake bring the girl out to him. This girl later became his wife and he introduced to us his family of 11, which did the ritual rain dance of their tribe.

The next entertainer was our dear teacher David Hawk. He had come a long way in his basketball coaching and was now coach of the Harlem Space Gallopers. He and his team put on a very interesting exhibition for us. Three of his own sons were on the squad and the fourth was a very competent water boy who was in demand by many other ball clubs.

Prophecy Continued

Maxine Hinton was next to speak of her accomplishments. She was dressed in—of all things!—a gorgeous gown of porcupine quills! We learned that she is a very famous dress designer sought by everyone because she uses such unusual materials. She holds a job as a dancer in a carnival side show and she said that it gave her great opportunities to model her creations. She said she was very happy and also informed us that she has five boys? William, Willie, Wilbert, Wilfred and Bill.

A big sign was risen over the table now, it read: The International Baby Sitting Corporation; Manager and President—DALE HUMPHREYS. We were very surprised to see Dale in such a business. He explained that after he had won the Pinhead Award for building the first tightrope across the Atlantic Ocean, none of the girls wanted to marry him for fear he'd go "up in the air" over something else. He started this business with the motto: "If you want to go someplace, and you need a sitter, just call I.B.S.C., you'll never find one fitter !"

The drums rolled and the bugles raged as we were astounded by the voice of the speaker introducing this beautiful, scantily clothed young lady as Thelma Garrison, Queen of the Air. She told us that she was working for the Wingding Bros. Circus and that she enjoyed her work very much. She worked steadily on the trapeeze arts after graduating from high school and had finally perfected her most difficult feat—she swings from a trapeeze to a horse's back, the horse being balanced on a teeter-totter 200 feet above the ground. The horse then kicks up hurling her high in the air across a 20 foot space through which she does a triple summersault and rope. This entire performance is done without a net !

The double doors of the hall were thrown open to admit, to a sixty gun salute, a platoon of WAC's. They did various drills and formations. We were wondering what connection this had to the class of '52 but were then surprised to recognize Shirley Steen ordering them around. Shirley had been such a brilliant educator as dean at Vassar that the WAC's had insisted that she become their Commanding General. She told us about her work and we were greatly amazed to find that her woman soldiers had gone into actual combat. Shirley, herself, had many medals for she was always leading her armies. She had married a nice boy while in Utah but he was only a private in the army and she enjoyed giving him a bad time.

We finally got back to our space-time ship and very tiredly arranged the mechanism for our homeward flight. We were certainly happy to have seen our old friends and were also glad that each had been successful in his field.

Last Will and Testament

We the Senior Class of Dayville High School of the year of one thousand nine hundred and fifty two being of sounder mind than our contemporaries and feeling we are mentally fit, therefore, do hereby make and ordain this to be our last will and testament to the so-called students and **underpaid** faculty of Dayville High School.

To our advisor, Marion Huff, we leave our best wishes and our high intelligence to use as he sees fit in the on-coming years.

To our faculty we leave a small reminder that they shall never have another class, no matter where they teach, **quite** like ours. Draw your own conclusions.

To our school of learning we leave our gratitude, our original ideas, our class pictures, and above all our many heartfelt thanks for all the wonderful years we have spent within her walls.

To the Juniors we will our ability to run the school capably.

To the Sophomores we will our ability to get through school with the least work possible.

To the Freshmen we leave our dignified manners.

To the following persons we hereby bequeath this, the last will.

I, Dale Humphreys, leave my musical ability to Wade Nodine.

I, Joy Starrett, will my ability to ride a horse and go with out of town boys to Marcia Belshaw.

I, Shirley Steen, will my ability to play volleyball to Leta Humphreys.

I, Ruthy Lemberger, leave my ability to flirt with all the boys and my ability to be mean, to Frances Harris.

I, Robert Walker, leave my way with the women to Bruce Lemberger.

I, Maxine Hinton, leave all my love letters to Kay Cummings for future reference.

I, Thelma Garrison, leave my good behavior to Janet Parrish.

Senior Class History

Of this year's graduating seniors only Joy Starrett began her education in the Dayville Schools. Dale Humphreys had his early ABC's at the Cant School down the river. Dale started in Dayville when the school was discontinued after he completed the fifth grade. Ruthy Lemberger came to Dayville from California in her sixth grade year.

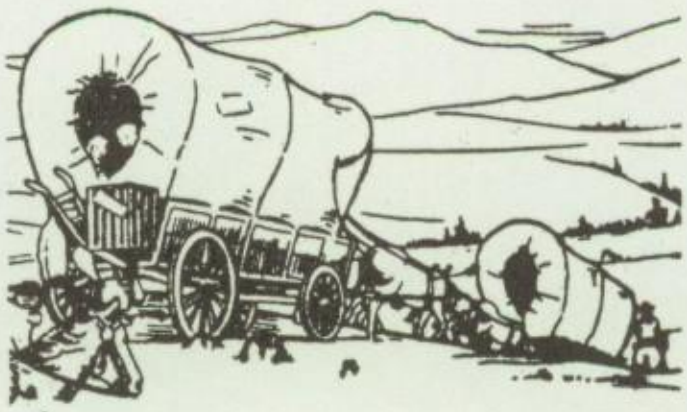
Shirley Steen began her schooling here in the second grade, then she left us and returned for the sixth grade and has remained ever since.

The four mentioned above are the only ones out of this graduating class who have attended D.H.S. all four years.

Robert Walker entered D.H.S. last year from Watsonville, California, previous to this he had gone to school in Oklahoma. Maxine entered this year from Spray and Thelma Garrison from Hereford. Former members of this class who have since departed are Elbert Graham, Eddie Flowers, Jane Paul, Bob Winebarger, Jack Montgomery and Robert Fry.

The Class of 1952 is the first group to go through school with a staff of three high school teachers and it is also the first group to complete their training under one principal in a great many years.

Everyone is glad to be graduating but we all feel that we will certainly miss dear old D.H.S. and it shall always hold a place close to our heart. There has been a lot of hard work and heartaches but these have all been offset by the wonderful times we have enjoyed. It is hoped that future generations will accept the friendly atmosphere that has been created in our school and we also pray that they will continue to promote it down through the years.



JUNIOR CLASS

Marcia 1938

Frances 1940

Kay 1940

Wade 1943

Janet 1939

Leta 1948

John 1943

Bruce 1948

Junior History

Our little class entered the halls of D.H.S. in 1949. The 11 members were Bruce Lemberger, Leta Humphreys, Janet Parrish, Georgia Landers, Marcia Belshaw, David Key, Wade Nodine, Carol Smith, Leah Adams, Kay Cummings, and Rose Youngren. During the past three years we lost three girls through marriage, they were Georgia Landers, Leah Adams, and Rose Youngren. Two members of this class moved away. They were Carol Smith and David Key. This left the above members plus Frances Harris who entered from Monument her Sophomore year, and John Patton who transferred here this year from Prineville.

Our beginning year in D.H.S. was exciting as there were many new changes. This happened to be the first year our grade and high schools were separated and we had the whole high school building to ourselves. The gymnasium was completed and we no longer had to have games and plays in the dark old hall. Everybody had a chance to get hot lunches at the newly installed cafeteria and we had an enlarged playground. All these things combined gave us a fine start.

Last year was full of thrills as we had an outstanding basketball team and two of our boys were on the first ten. Most of our class was still intact and everyone was happy and having lots of fun. Faculty members were Marion L. Huff, Rowena Shroyer, and Mary Banks. This brings us up to the present year.

When school opened this fall we met and chose the following officers: President—Marcia Belshaw, Vice President—John Patton, Sec.-Treas.—Frances Harris. We selected lavender and gold for our class colors and yellow roses for our flower.

The Juniors are working and planning ahead to give a very enjoyable banquet and prom. We have spent a lot of time selling Christmas cards, cakes, candy, pop, hot dogs ,etc., to raise money for our many ventures. The Junior-Senior play has not yet been put into production but there's no doubt about it being a success, especially with such outstanding talent to draw from. We intend to crack all gate receipt records when our production is staged. All Juniors are now having a good time and we hope that the future years will bring us as much joy and happiness as the past ones in D.H.S.

Class members in group pictures at left are: Left to right—sitting: Wade Nodine, Frances Harris, Marcia Belshaw, and John Patton. Standing: Mr. Gilham, Kay Cummings, Bruce Lemberger, and Leta Humphreys. Absent: Janet Parrish.

Sophomore News

The Sophomore class officers for 1951-1952 were as follows: President—Alfred Cotham, Vice-President—Gary Wyllie, Secretary-Treasurer —Willis Laughlin, Advisor—Dave Hawk. They were picked from an enrollment of ten students. Although Donna Jo Wham left us before long, our count didn't decrease, because Ann Russell, from Spray, soon joined our little group.

Sophomore activities for the year mainly consisted of the Freshman initiation party and the Freshman-Sophomore tug-of-war. The Freshman party was a howling success—yes, I do mean howling. I don't believe they liked our refreshments. The tug-of-war was a triumph for the Sophomores; therefore, it was a success too. Other activities in which the Sophomores played a prominent part were: basketball, volleyball, paper staff, annual staff, and the Girls' League Play.

Class members are as follows: Sitting: Willis Laughlin, Gary Wyllie, Alfred Cotham, and Mr. Hawk. Standing: Barbara Sopher, Loretta Music, Allen Barry, Jess Oster, Boyd Keeton, and Kearney George.

Freshman News

After initiation was over, the Freshmen had a very good year. Everyone dreaded initiation until the time we dressed up, but then we found it was fun to a certain degree.

The tug-of-war between the Freshmen and the Sophomores didn't turn out too well for the Rooks, but all Soph's seemed to be happy. First they made us dig a trench, then fill it full of water. After that was finished, we had to get in the mud and mix it up with our bare feet. Then came the fun. Bare-footed and all, we had the tug-of-war. The Sophomores pulled us through the mud, but they didn't think we were muddy enough so they made us sit in it.

The Freshman return party turned out very successfully. Everyone played games and afterwards ate ice cream and pie.

During the year we have had three new students join our class: Margorie Vernwald, Karen Cress and Dean Downing.

Class members in the picture at left are: Sitting: Terry Perkins, Greta Humphreys, Glee Craig, Mr. Hawk. Standing: Joan Metcalf, Richard Perkins, Pat Shroyer, Mary Jo Garrison, Jim Barr and Lillamay Mascall.

Seventh and Eighth

Sitting: Carolyn Harris and Patty Salsbery. Kneeling: Beverly Black, Dick Brown, Joe Martin, Delbert Burril, Arnold Keeton, Lyle Nodine.

Standing: Kathleen Cant, Jean Morris, Carol Ann Moulton, Gerald Wagner, Smoky Overton, Alan Johnson, Irene Pritchard and Lolita Craig.

2nd row standing: Mr. Joey Acaiturri,, Lenord Oster, Howard Morris, Loretta Franke, Joann Belshaw, Janice Patton, Nancy Martin, Corrine Adams, Robert Steen and Ralph Metcalf.

The Seventh and Eighth Graders performing under the excellent tutelage of Joey Acaiturri had a fine year. Perhaps the greatest thrill of the year was when the boys marched out onto the basketball floor in their sparkling blue uniforms.

Basketball and volleyball provided the main pastime but Christmas and assembly programs, plus holiday parties, also keep students on the jump. The next few months will find everyone busy with softball and track then will come the biggest event of all for the Eighth Graders—Graduation on May 27th.

☆ ☆ ☆

Fifth and Sixth

1st row: Lee Goodman, Joe Barry, Robert North and LeRoy Burrill. 2nd row: Mrs. Helen Miller, Deanne Mascall, John Simonis, Forrest Overton, Kaye Jenison, Robert Music and Ruby Perkins. 3rd row: Gail Humphreys, Margaret Garrison, Stephen Valade, Bobby Salsbury, Lawayne Hampton, Mary North and Sandra Simmons. Absent was Donald Franke.

Under the very capable direction of Mrs. Helen Miller the Fifth and Sixth Grades had an enjoyable year. These students gave the second all-school assembly program besides taking part in the Christmas program. Other events included Hallowe'en, Valentine and Christmas parties, along with cake and candy sales.

Third and Fourth

1st row: Mickey Jenison and Jeanette Salsbery. 2nd row: John Prichard, Jefferey Black, Michael Snyder, Alva Mascall, James Salsbery, David Barr, and Kenny Vancil. 3rd row: Laurlee Music, Alyce Vancil, Cherril Wham, Sharon Wyllie, Patsy Overton, Joyce Perkins, Larry Nodine and Pete Van der Vlugt. 4th row: Stephen Black, Barbara Miles, Terry Taylor, Clark Weldin, Stanley Johnston, Sharon Harris, Ilona Martin, Dallas Morris and Mrs. Valade.

Guiding the destinies of the Third and Fourth Grades is Mrs. Retha Valade, a teacher who is admired and respected by her students.

The major activities of this group were the Christmas program performances and the January assembly. Most students are now anxiously waiting spring and the marble season.

First and Second

1st row: Gene Cecil, Hilmar Martin, and Pete Perkins. 2nd row: David Barry, Gail Morris, Leslie Snyder, Michael Brown, Larry Martin, and Raymond Metcalf. 3rd row: Jean Pritchard, Dixie Middleton, Donnella Taylor, Joanne Barker, Daniel Franke, David Franke, David Valade, Bobby Harris, and David Round. 4th row: Martha Ann Van der Vlugt, Roneta Martin, Kathleen Miles, Catharine Huff, Helen Humphreys, Myrtle Lawrence, Ronald Keeton, and Kent Hettinga.

The First and Second Grades started the school year under the direction of Mrs. Rena Stricklen, however, due to ill health she resigned and Mrs. Margie Rounds completed the year.

The greatest event for the children was probably the February assembly given by their group for the Grade and High School studentbodies.

Everyone is now looking forward to spring when they can take their annual picnic.

TENDERFOOT STAFF

ANNUAL STAFF

Tenderfoot Staff

The editor of the "Tenderfoot" has been well pleased with the paper staff of 1951-1952. They have been very cooperative and hard working, of course they made slips at times and didn't get the news in as soon as they should, but who hasn't. It's lots of work and worry but after it's over you realize you've had fun too.

On the whole it has been a pleasure being editor of the Tenderfoot. (Believe it or not.) It is hoped that future editors will have as fine a group to work with as we have had.

Members of the paper staff are as follows: Seated left to right: Marcia Belshaw, Frances Harris, Shirley Steen, Editor—Joy Starrett, Lillamay Mascall, Glee Craig and Joan Metcalf. Standing: Ruthy Lemberger, John Patton, Mr. Gilham, Kay Cummings, Loretta Music, Mary Jo Garrison and Thelma Garrison.

Annual Staff

The Annual Staff of 1951-1952 has tried their best to give you a yearbook you can be proud of. It is hoped that in years to come you can look back through these descriptive pages and recall the glorious years spent in D.H.S.

We have attempted to record all important school events as they happened; the exciting ball games, class plays, carnivals, dances, parties, tug-of-war, tournaments, program assemblies, etc.

We may not have taken your picture when you were at your best and it's possible that we don't give you the write-up you deserve but after all things rarely do happen this way, that's what makes this such a good annual, it is true to life.

Members of the staff are:

Editor	Wade Nodine
Ass't Editor	Frances Harris
Art Editor	Marcia Belshaw
Activity Editor	Kearney George
Freshman News	Lillamay Mascall
Sophomore News	Loretta Music
Junior News	Kay Cummings
Senior News	Shirley Steen
Boys' Sports	Willis Laughlin
Girls' Sports	Thelma Garrison
Business Manager	Joy Starrett
Typists	Typing II Class
Advisor	Mr. Marion Huff

Staff members pictured at work are: Marcia Belshaw, Frances Harris, Shirley Steen. Second picture—Mr. Huff, Wade Nodine, and Joy Starrett.

STUDENT COUNCIL

GIRLS' LEAGUE PLAY

Student Council

Presiding over the student council this year was student body president Bruce Lemberger. Meetings have been a little irregular and attendance lagged but still there were some important accomplishments. Probably the biggest item from the financial standpoint was the purchasing of a new tape recorder and new uniforms for the boys and girls athletic teams.

Other extra-ordinary business of the council was the approval of an annual tug-of-war to be held every year by the Freshman and Sephomores. The rest of the council's jobs were routine and no mention needs to be made of them. Next year it is hoped that we can have more active participation in the student council, thus making it a powerful organization.

Members of the Council are: Left to right: Marcia Belshaw, Loretta Music, Alfred Cotham, Shirley Steen, Bruce Lemberger—President, Mr. Huff—Advisor, Wade Nodine, Joy Starrett, Glee Craig and Dale Humphreys.

Girls' League Play

The Girls' League Play this year was a three act mystery-comedy "This Night Beware!" It was complete with ghosts, vampires, witches and the works.

The audience never had a chance to relax during this hilarious production. The cast listed below turned in good performances throughout and everyone would have to be given credit for its success. Director of this play was Mr. Gilham.

Cast:

Tod Miller .....Loretta Music
Proprietor of Black Crow Inn and a detective.

Marthy Hawk .....Ruthy Lemberger
A slatternly old crone.

Velma Bayne .....Joy Starrett
Girl of 19, who gives a ghost party.

Francis Malory .....Glee Craig
Nan's 22 year old lover. The real crook.

Madam Zora .....Joan Metcalf
A spiritualistic medium.

Sukey Simmons .....Frances Harris
19 year old negress. Velma's servant.

Lazarus Jones .....Mary Jo Garrison
Negro buck of 20. Sukey's honeylamb.

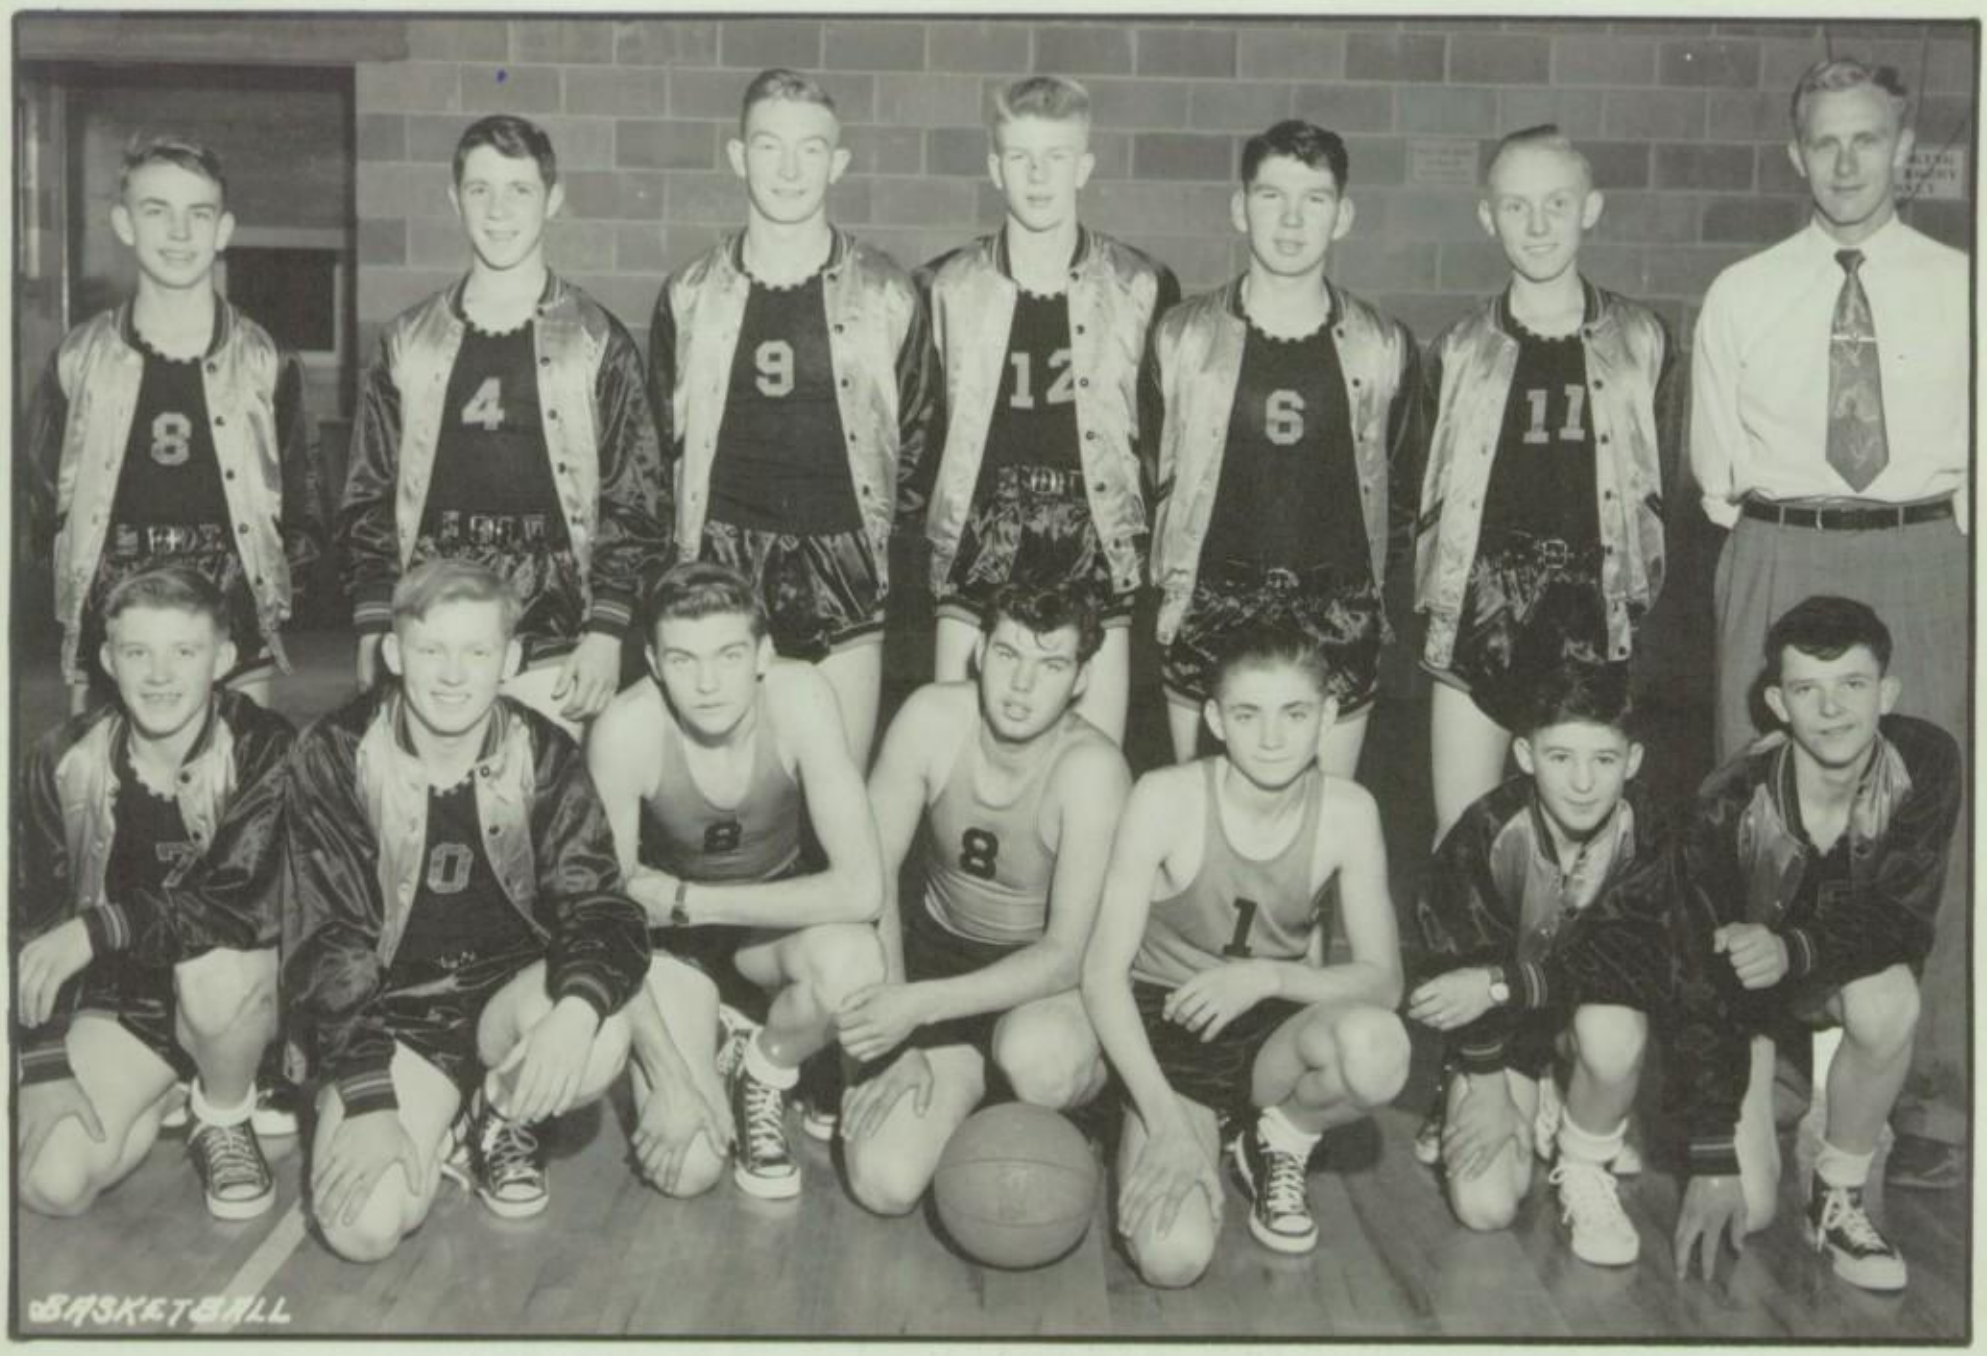
Nan Carteret .....Kearney George
Girl of 20. Velma's guest and Alan's half sister.

Hugh Stanton .....Thelma Garrison
Lad of 22, Nan's true sweetheart.

Harriet Hotchkiss .....Greta Humphreys
Melancholy girl of 19. Nervous and fluttery.

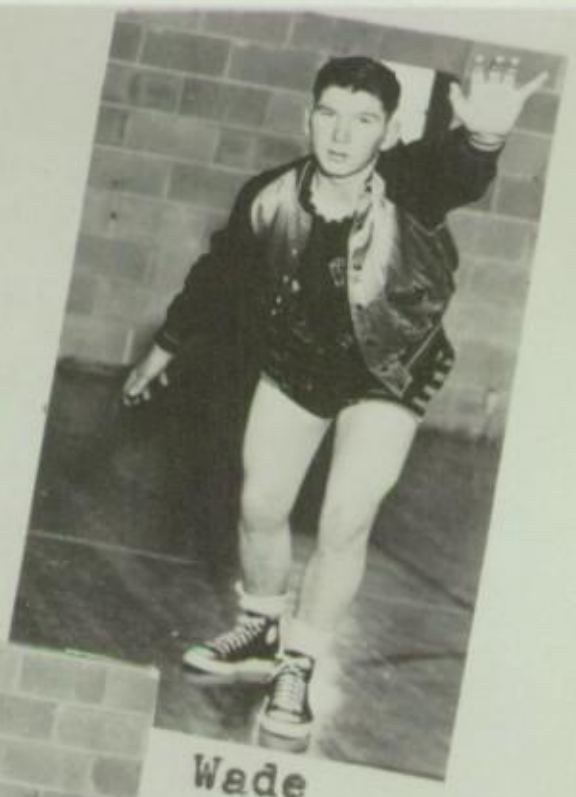
Tommy Meadows .....Barbara Sopher
Harriet's better-half, aged 20.

Alan Blair .....Lillamay Mascall
Velma's fiancee and accused crook.



Gary

Dale



Wade

Bruce

Alfred

Boys' Sports

Fall activities for the boys consisted of intra-mural touch-football and softball, then came winter and the much awaited basketball season. The new Devil coach, Dave Hawk, faced a rebuilding job in the casaba sport and not too much was expected, but true to Dayville tradition coach Hawk brought the boys along nicely and had a fighting quint at tournament time.

Everyone felt down hearted when the "Devils" lost all the December contests, but then came the new year and a first victory over Mitchell. From then on the sharpshooters of D.H.S. held their own with the rest of the league. The Dayvillites ended up with a six and six record in league play, which was good enough for fourth place. The "Devils" defeated every league member except Mt. Vernon.

In competition outside the league we didn't fare too well as we dropped two contests to John Day, one to Elgin, Prairie City and Fossil. The Fossil defeat, however, was later avenged as our boys soundly walloped the "Falcons" on their floor.

At the District Tournament our squad came through with fourth place. In the first engagement of the tournament we met Spray and were sent down to defeat. Going into the consolation bracket we tangled with the Monument "Savages" and when this scrap was over the black and orange had racked up an overwhelming victory. Next on our agenda was a tussle with the Mitchell "Loggers". This contest proved to be very exciting and our boys won the hearts of many tournament fans by coming from far behind to edge out the "Loggers" in the last minute 47-45. Those pesky Spray "Eagles", who later won the championship, gave us our last look at tournament play as they again dropped the "Devils" in a well played contest.

The greatest thrill for Dayville came when we were presented with the tournament sportsmanship trophy. This is a lasting tribute to our players, coach, students, teachers and townspeople.

Next year promises to be a fine one for the "Devils" as not one player that participated in the tournament will be lost to the squad. Team members are as follows: Kneeling: Jim Barr, Jess Oster, John Patton, Richard Perkins, Boyd Keeton, Willis Laughlin, and Bruce Lemberger. Standing: Pat Shroyer, Gary Wyllie, Alfred Cotham, Allen Barry, Wade Nodine, Dale Humphreys, and Coach Hawk.

Tri-County League

	Won	Lost	Percentage
*Spray	9	2	.818
*Mitchell	7	3	.700
Mt. Vernon	8	4	.666
Dayville	6	6	.500
*Crane	4	5	.444
Long Creek	5	7	.412
Monument	0	12	.000

* Incomplete Schedule

Girls' Sports

Under the coaching of Mr. and Mrs. Huff the Demons rolled up an impressive record for the 1951-1952 volleyball season. Every school in the district, except Mitchell, fell before the inspired play of our girls. Mt. Vernon defeated us once on their floor but we more than made up for it by walloping them on our court and by trouncing them in the finals at the Prairie City playday.

Probably the biggest thrill of the year was when we came from behind to win the first place trophy at Prairie City, but we were almost equally happy when we knocked over the powerful Savagettes of Monument.

As this Annual goes to press we are arranging for a county volleyball tournament and we have high hopes of again walking off with first place trophy.

Lost from the squad through graduation will be Joy Starrett, Thelma Garrison and Shirley Steen. Back next year, however, will be Loretta Music, backbone of the Dayville front line plus seven other veteran players.

This spring we intend to organize a softball team and will have one or two track meets in order to get ready for the annual spring playday which includes softball along with track and field events.

Members of the volleyball squad are as follows: Seated: L. to R. Leta Humphreys and Janet Parrish. 1st row: Frances Harris, Shirley Steen, Thelma Garrison, Kearney George, and Joy Starrett. 2nd row: Joan Metcalf, Glee Craig, Loretta Music, Kay Cummings, Lillamay Mascall, and Mrs. Huff.

Yell Leaders

No school is complete without yell leaders and Dayville had two of the finest in Ruthy Lemberger and Thelma Garrison. These girls never let down and to them must go a lot of credit for our team and school spirit. Good luck girls in your future life. Dayville will certainly miss you next year.

16-big game
17-cub bear
18-lady of lesiure
19-pretty girls
20-scholars

Carnival

The annual Carnival was a great success ! ! Joy Starrett again managed the affair with a firm hand and everyone enjoyed it to the utmost. The events included dart thro, nail drive, fortune telling, basketball throw, fish pond, bingo and many others. There was a movie shown consisting of a comedy and football highlights.

Merchants of John Day and Dayville donated many fine things which were given as bingo and door prizes.

The big event of the evening was the crowning of the queen, Joy Starrett, by Student Body President, Bruce Lemberger. Princesses were Thelma Garrison and Marcia Belshaw. The girls won their positions by a ticket-selling contest.

The Girls League served refreshments of hot dogs and pop.

The amount taken in for the evening exceeded $300.

Assemblies

This year every room in the grade school and each class in the high school presented assemblies. One assembly was given each month and everyone was invited. These entertainments made a hit with the pupils and public. They also gave the parents a chance to see their children perform, as all students participated.

Dances

After the Elgin game the D.H.S. students entertained the Elgin boys with a dance in the assembly room. Many of our girls made quite a few new friends as a result of this affair.

We had no other dances at school except the Prom because of the numerous dances down town. Square dancing took up part of our time during P. E. periods.

School Picnic

The annual school picnic last spring was held at Joaquin Miller resort where we showed the departing seniors a whale of a good time. This May 24th will find us back at the resort fishing, swimming, playing ball, hiking, eating, etc.
